GET DETAILED FEEDBACK ON YOUR WORK

We know meaningful feedback is important and so our Editors' will give a detailed critique on the impact of a series of your work. We will touch on aspects that can be readily evaluated in an online space such as overall impressions, originality, the quality of your artist statement, technical aptitude and image sequencing.

Over the past years, we have helped thousands of photographers to find or improve their style. **Discover some of their happy testimonials here.**

SUBMIT TO THE SERIES AWARD FOR THE CHANCE TO WIN A SOLO SHOW

Alongside our monthly competitions we run an annual Series Award to celebrate cohesive bodies of work. Enter a photographic series for the chance to receive your own solo show in a prestigious contemporary gallery. Following exhibitions in London, Mexico City, Paris, Arles, Rotterdam and Rome, this year's winner will receive their own solo show and evening launch at Écho 119 Gallery – a much-loved gallery and book store in the heart of the art district of Paris.
